

Manchester United Legends v PFA Aussie Legends

Football royalty touch down in Perth next month when the Manchester United Legends play PFA Aussie Legends in an historic and exclusive charity match.

Fans will be part of a once-in-a-lifetime opportunity as the former Manchester United FC players face off against an all-star side of former Australian players assembled by the Professional Footballers Association. Manchester United will be armed with some players including Paul Scholes, Bryan Robson, Dwight Yorke, Denis Irwin and Teddy Sheringham, whilst PFA Aussie Legends will be coached by former Socceroos coach Frank Farina OAM.

Not only will these two teams be on a mission to play a great football game for their Australian fans, but this charity fixture will also raise money for the Perth-based DT38 Foundation and the Manchester United Foundation.

It's the first time the Manchester United Legends have come to WA and this event is exclusive to Perth.
