André Rieu is quite simply a musical phenomenon like no other. The Dutch King of Waltz is the world's most successful violinist ever having sold a massive 40 million CDs and DVDs. Along with his Johann Strauss Orchestra, André has created a global revival in waltz music, staging spectacular extravaganzas which are second to none. Having received over 400 Platinum Awards, he is one of the biggest solo male touring artists in the world. Each year he performs in front of around 600,000 fans and outsells mega artists such as Coldplay, AC/DC and Bruce Springsteen.
