

Perth Arena - Bruce Springsteen and The E Street Band

Frontier Touring are thrilled to announce the highly anticipated return of Bruce Springsteen and the E Street Band!

Last in Australia in 2014 for a sold out run of shows, the summer of 2017 will see Bruce and his legendary band undertake one of their biggest tours to date, kicking off at Perth Arena in January.

For one month Bruce Springsteen and the E Street Band will be calling Australia and New Zealand home, with nine shows sure to delight fans who have rabidly been monitoring the international movements of The River Tour. Indeed, those overseas dates have had critics and fans alike in raptures.

“★★★★★ Springsteen was the consummate, gimmick-free showman.”
Evening Standard UK

“Springsteen’s stamina, exuberance and ability to connect remain unrivalled.”
Guardian UK

“For all his squillions of record sales, the live arena is where [Springsteen] and his band truly excel.” The Telegraph, UK

Named the top global touring act of 2016 by both Billboard and Pollstar, Bruce Springsteen and the E Street Band have sold close to 2 million tickets in 2016 alone.

Just as they did in 2014 for their first ever visit to WA, Bruce Springsteen and the E Street Band will perform the Perth Arena concert in their entirety, with no special guests.

Tickets on sale 3pm local time, Friday 23 September through Ticketek.
