

Perth Arena - Nick Cave and The Bad Seeds

Following their #1 ARIA chart debut for new album 'Skeleton Tree', Nick Cave & the Bad Seeds have announced that they will be touring their biggest and boldest production ever to Australia and New Zealand in January 2017.

The NICK CAVE & THE BAD SEEDS touring band line up in 2017 features Nick Cave, Warren Ellis, Martyn Casey, Thomas Wydler, Jim Sclavunos, Conway Savage, George Vjestica and Larry Mullins and will wind up in Perth on 31 January 2017.

Audiences will also be treated to a support performance from ARIA award winning, cult experimental trio THE NECKS.

The latest NICK CAVE & THE BAD SEEDS album received phenomenal reviews worldwide, topped the charts in eight countries, and gained the band their second #1 album in Australia following 2013's Push The Sky Away (#1 Feb 2013).

Companion film 'One More Time with Feeling' – directed by New Zealand born Andrew Dominik - premiered at The Venice Film festival followed by screenings on 8th September in 950 cinemas across 30 countries in what was intended to be a one day screening. The incredible response sees the film return to cinemas from December 1st.

Nick Cave & The Bad Seeds have sold over 5 million albums worldwide to date, and 'Skeleton Tree' is their 16th studio album.
