ATHLETE TESTIMONIALS

"I am incredibly grateful to have called Perth HPC (Formerly HBF Stadium) my training and competition base for over 10-years, during which I prepared for two Olympic campaigns. With world-class facilities, competent, friendly staff, and a loyal community of patrons, it ticks all the boxes."

Tamsin Cook, Olympic Medallist

"Divers spend about 50-percent of their training time in the 'dryland', perfecting their skills and developing spatial awareness before transferring their dives into the water, which is much more dangerous and scarier. It's so exciting that Perth HPC, the pool where I started my career, now has both a world-class pool and drylands facility. This will be a huge help in the development of the next generation of divers and provides a space for me to train at high level while visiting home."

Nikita Hains, Tokyo Olympian

ATHLETE TESTIMONIALS

"I am so lucky to have had the opportunity to train and compete at Champion Lakes Regatta Centre for the last four-years. From learning to row as a school girl, to preparing for senior World Cups and Under 23 World Championships, the venues world-class rowing course and facilities have catered to my every level, and allowed me to gain valuable racing experience and excel in my sport. The Regatta Centre is incredibly versatile, filled with friendly, helpful, and dedicated staff. It is always clean and is deeply valued by the whole rowing community."

Gen Hart, U23 Australian Representative

ATHLETE TESTIMONIALS

"I am excited to endorse the Perth SpeedDome as a great place to watch and participate in track cycling. When I was 14-years-old I watched an International Grand Prix here and was inspired to try the sport myself. The crowd and the racing were amazing. This led to the beginning of my career with the Australian Cycling Team, and I am forever grateful to the SpeedDome community for providing me with the opportunity to pursue my passion. I encourage everyone to come out and support the athletes who compete at the SpeedDome. You won't be disappointed."

Matt Richardson, 2022 Sprint World Champion
