VenuesWest Australian Masters Athletics Championships

Perth 2018 | 26 - 29 April

The VenuesWest AMA Championships, is the penultimate event for Masters Athletics in Australia for 2018. Returning to the main stadium of the 2016 World Masters Athletics Championships, the venue has fond memories for many athletes.

- Track events - including Sprints, Hurdles, Middle Distance, Long Distance, Steeplechase, Pentathlon and relays
- Field events - High Jump, Long Jump, Triple Jump, Pole Vault, Hammer, Shot Put, Discus, Javelin, Weight Throw and Throws Pentathlon
- Non-Stadia events - Cross Country and Road Walk.

You are never too old to join Masters Athletics with the 100+ age category an inspiration to us all. We will be welcoming some of Australia's current World Champions, and plenty who are there to "have a go".

Find the AMA Championships Programme here
